75TH Annual Convention

PLEASE NOTE:

Presenters and topics are subject to change. Presentations and materials provided by speakers at CAA events are not reviewed by CAA for accuracy and are the sole opinion and advice of that speaker/presenter.

The California Ambulance Association cordially invites California's EMS leaders and professionals to join us at the Annual Convention on August 29 - September 1, 2023 at Harrah's Lake Tahoe Hotel & Casino.

Unlike many other conferences, this year's annual event will empower you with Game Changing tactics and strategies to immediately impact your EMS agency. You will do it better tomorrow than you are doing it today. It's a home run, a slam dunk and learn the game a different way.

This year's program will feature three tracks of outstanding speakers and topics, including state-specific issues that will help your ambulance service thrive in the changing EMS environment. Please see pages 3-7 in this brochure for a complete schedule and description of all sessions. Please complete the registration form included with this brochure to sign-up to attend today!

Please pass this convention brochure and registration information along to your colleagues and personnel.

Game Changing Communication: Having Crucial Conversations - Risk Mitigation & Doing the Right Thing

Scott Moore - Moore EMS Consulting

Coaching and mentoring employees can be one of the more challenging and rewarding aspects of supervising or managing others. Real coaching requires honest, direct, and clear communications with employees. However, many leaders struggle with these crucial discussions because they are uncomfortable having honest and direct conversations with employees, or simply do not prepare for the discussion. This session is intended to provide attendees with practical tips about how to approach these challenging supervisory discussions. We will discuss how clear, concise, and consistent employee communications more often lead to desired performance related outcomes.

Empowering Game-Changers: Maximizing the Human Experience in a Post Pandemic World

Ed Norwood, ERN – The National Council of Reimbursement Advocacy

Post-pandemic. Where do we go from here? How do we heal the deep wounds that have scarred our nation, hearts, and minds? COVID-19 has affected us in more ways than one, but now is our time to redefine what it means to recover. When times were uncertain, we were resilient. We led through the chaos. Pushed through the every day challenge and picked ourselves up. As providers, we continued to advocate for medically appropriate healthcare pursuant to Wickline v. State. But now a new challenge awaits us. How do we calm the storm and steer our way back to shore?
